

THE AVON

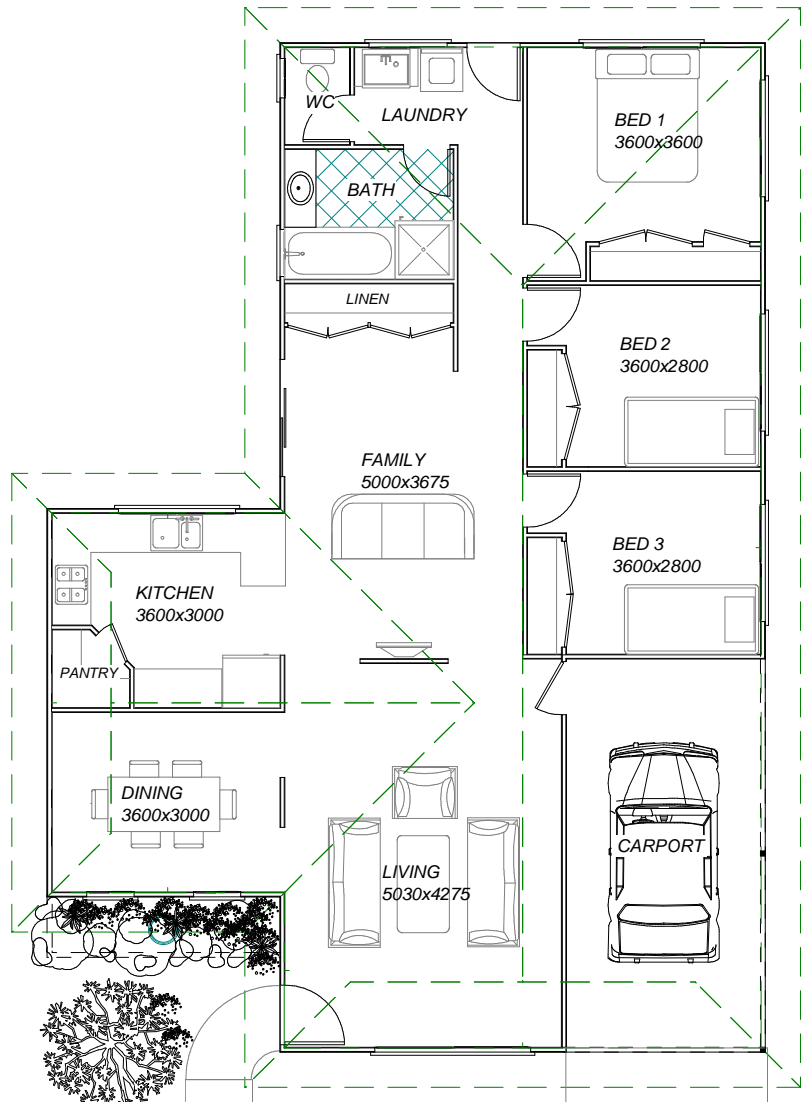

138sqm inc Carport

Designed with the compact block in mind The Avon offers a combination of contemporary good looks and intelligent use of available space.

At Only 11.1m wide The Avon leaves plenty of room to accomodate that pool and outdoor entertainment area.

Three bedrooms featuring built in robes, stacks of storage space, and the eleimination of a long hallway combine brilliantly with the character of the home.

Whether you live in the country or the city, or if you have a small or large family, you'll find a Statewide home to suit your lifestyle and budget.

This design is the property of Statewide Building Solutions Pty Ltd and shall not be copied or used without their written permission.
