

THE ENTERTAINER

160sqm Living area + Deck Roof Overhang

The Entertainer brings a brand new approach to home designs that cater for the owner builder.

Soaring raked ceilings to the living and dining areas that open onto a portico through gorgeous timber french doors create a spacious 55sqm indoor/ outdoor living experience.

Three generous bedrooms all with built in robes, brilliant open plan kitchen area, home theatre or 4th bedroom, and wet areas with room to move make The Entertainer a design for the ages.
